0858-1771-8838
Tangerang Selatan, Banten, 15416, Indonesia

Professional with hands-on experience in front-end development, AI tooling, and data annotation. Passionate about improving content integrity using GenAI tools. Skilled at reviewing and classifying user- and AI-generated content, coordinating content workflows, and annotating training data to enhance AI moderation systems.

Work Experience

Machine Learning Support Engineer
Labelbox

Mar 2022 - Apr 2025

- Supported users in annotating and labeling data using Labelbox's AI platform.
- Debugged data pipeline issues and resolved annotation problems with engineering and ML teams.
- Created internal documentation that reduced resolution time by 30%.
- Worked on edge-case content identification and structured feedback loops for AI training.

Front-End Engineer (Remote)
Hugging Face

Jan 2023 - Dec 2024

- Built and maintained front-end interfaces for AI tools using React, TypeScript.
- Collaborated with AI researchers to improve usability of GenAI-based classification tools.
- Reviewed user feedback and helped classify unstructured content for ML refinement.
- Conducted manual testing and documentation for scalable annotation systems.

Projects

Developed a mobile learning app using Flutter and Dart, published to Play Store (2025).

May 2025 - Present

Created structured UIs for AI content reviewers to interact with GenAI-based moderation workflows.

May 2025 - Present

Core Skills

Programming & Scripting Languages: Python, HTML5, CSS3, JavaScript, TypeScript, SQL, Dart

Front-End Frameworks & Libraries: Tailwind CSS, Framer Motion, Next.JS, React.JS, Bootstrap

Annotation & Moderation: Labeling AI training data, Edge case tagging

GenAI Tools:: ChatGPT, Hugging Face, Claude, Gemini

Web Platforms & CMS: Shopify, WordPress, Wix

Design & UX: UI/UX, Responsive Design, Accessibility

Remote Work Tools: GitHub, Remote Collaboration

Education

MH Thamrin University   Sep 2023 - Present

Bachelor of Science | Information Systems

SMK Muhammadiyah 03 Ciputat   May 2020 - May 2023

Vocational High School Diploma | Computer network engineering

Languages

English *(fluent)*, **Indonesian** *(Native)*

Certificates

JavaScript programming language   Sep 2023
PT Bisa.ai

Python programming language   Sep 2023
PT Bisa.ai

Node.js   Sep 2023
PT Bisa.ai

Web Developer   Sep 2023
KOMINFO

Interests

Web Builder, Web Designer, Front-End, Back-End, Web Developer, Wix, WordPress, Shopify, Coding, GenAI, ChatGPT, Claude

Additional

- Comfortable working across different time zones and supporting users in asynchronous environments.
- Strong belief in user-centric product development and technical empathy.
- Passionate about making apps/website more accessible to everyone.
- Passionate about AI-human collaboration and improving moderation systems.
